REMiND

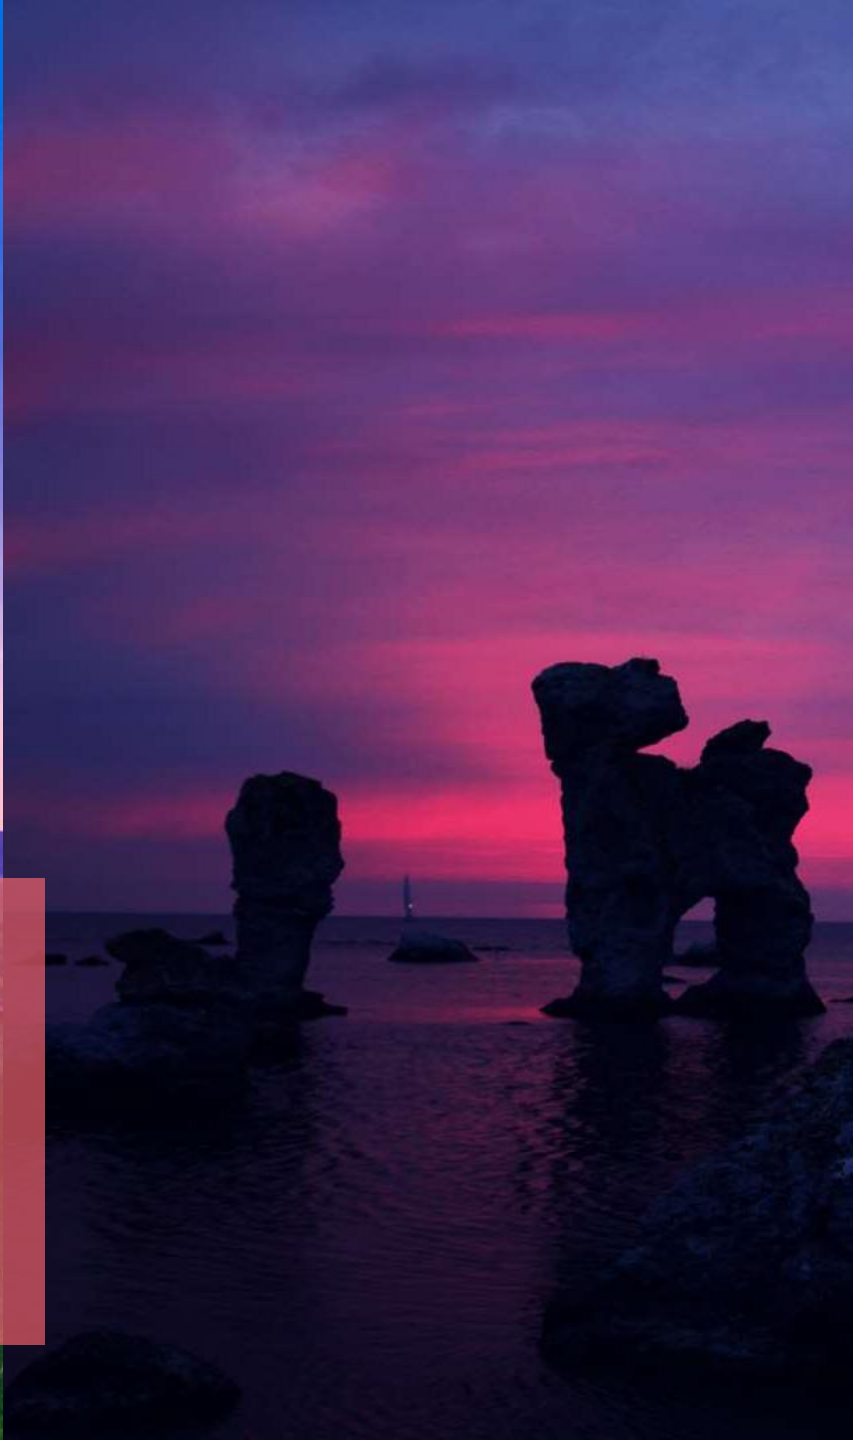

'This game does not solve problems but it solves what creates the problems'

The game  
InteractionRocks®  
helps people who  
lost control of their  
lives or experience  
psychosomatic  
health problems  
caused by life issues  
or business issues

Today's  
solutions

# Why tools / therapies don't work

People don't like therapy, treatment processes or long term medicine intake

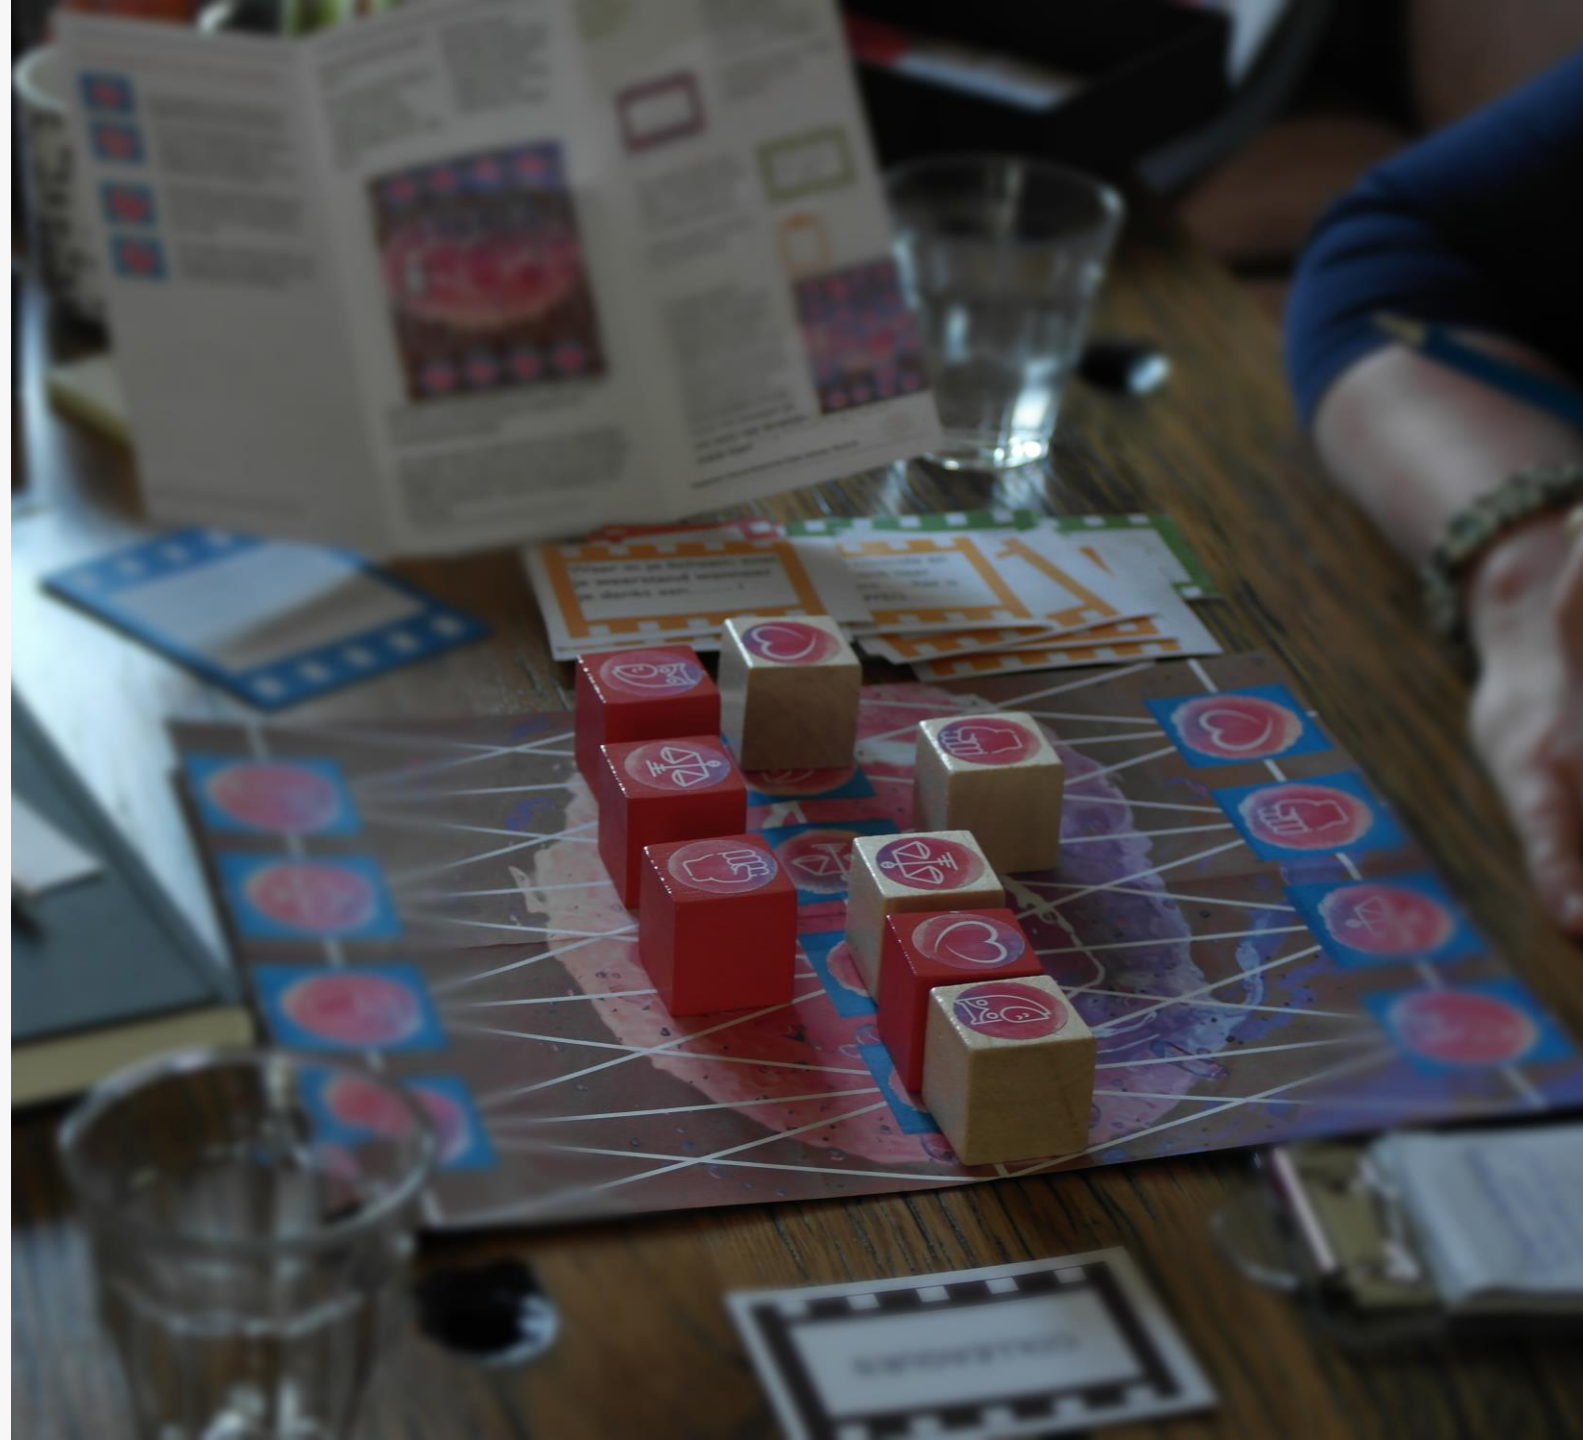

Long journeys with just a few results

Symptom control without removing the cause of the complaint

Our  
Solution:  
The Game  
Interaction  
Rocks®

# Awesome features of InteractionRocks® (1/2)

You will go very fast to the root cause of the problem by the sequence of the questions

It releases emotions and creates harmony in everyone

You can explain your answer, but you don't have to

# Awesome features of InteractionRocks® (2/2)

It is a game, not a therapy session

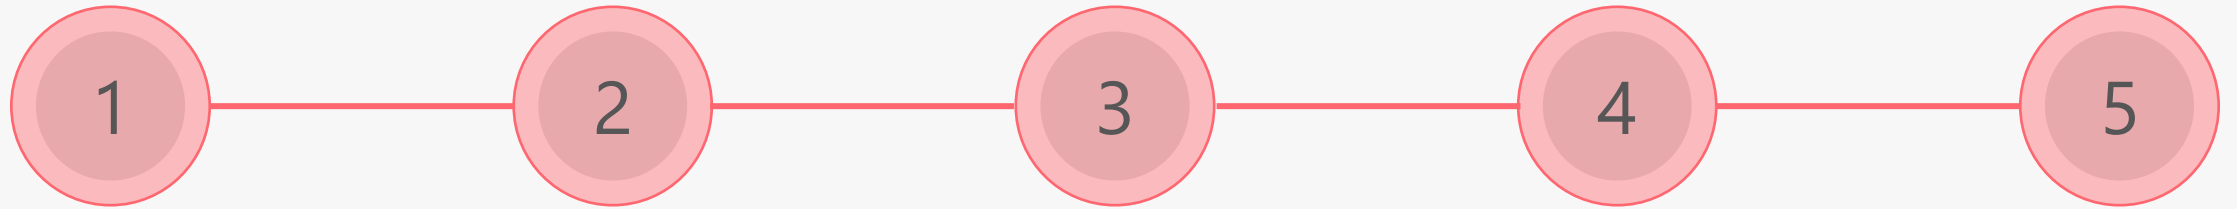

You become conscious about your subconscious behavior

You get insights to create mutual values when played together

# How to Play InteractionRocks®

Answer a question on a card

Move Rocks, or not. Explain, or not

Follow the instructions to choose the next card

Release emotions, get insights

Play until the Rocks are on the harmony line

# Underlying Magic

## Make things really change

You go to the root cause of a problem fast and shift your beliefs and values at the neurological level

## Make the world a better place

You create mutual values and believes that leads to harmony for all.

## Offer one perfect answer

This game is accessible for everyone
